

**Event day parking:**

Archery GB will only monitor the Blue Badge car park that is accessible close to the competition fields. The spaces are limited, so if you require a blue badge parking space, please request it through this form for all the competitions that you will be attending:

The requests will be treated as a priority, so if you fail to do so, you might be asked to park further away from the field.

Please remember to display the blue badge on your windscreen at all times.

Lost property:

Archery GB will keep any lost property that is left behind at competitions for a period of **6 weeks maximum**. Any items that are not collected or claimed within that period will be disposed of.
